## **SPECIAL CONDITIONS FOR ADMISSION INTO BOARDING**

The school has very limited vacancies in the boarding section. Special consideration is given to pupils in the Upper section (P.5 to P.7). For all other classes, admission will only be made by the Head teacher /Director under the following conditions:

1. The parent submits request to the head teacher for admission into the section with reasons which warrant special consideration.
2. Commitment to always make full boarder fees payment before the beginning of every new term. For continuing pupils this has to be verifiable from the child's previous accounts records with the school. For new pupils, payments have to be made within two weeks of admission.
3. Commitment to always provide specified school requirements in their right quantities and quality.

**N.B:** The school does not admit Nursery children into the boarding section.

- Failure to follow the above steps / conditions may led to discontinuations from the section.
