11th October, 2020

Dear parents,

Re: ZOOM LESSONS FOR CONTINUITY LEARNING

Warm greetings from Cornerstone Junior School. We thank God for His protection over your lives and the lives of our children.

I write to inform you that the school in partnership with TMT technology Uganda Limited has organized zoom classes to complement school website study materials with direct learner support with teaching, syllabus coverage, assessment and feedback (P.1 – P.6). Commencement of these school led classes will be on **Monday 16th November, 2020**. Payments will be monthly (**One hundred thousand shillings only, UGX. 100,000/=**) using the child's school pay code to facilitate the program. The provisional program and time tables for the different classes have been attached. Learners will be given daily exercises at the end of each lesson and weekend work will be issued every Friday. Please endeavor to supervise it done and forward it to your child's subject teacher for marking and assessment through WhatsApp.

You will need to download the zoom app on your smart phone or laptop. Reusable Zoom access links and other information will be shared with parents who sign up for the program, using general and class-based WhatsApp platforms, which are being compiled for the same. Please ensure you are on one of them, by sharing the WhatsApp number you will be using with Ms. Justine (0773475604). **Useful Tip:** With MTN lines the ***150*19# code**, gives access to 1G of data 9:am-5:pm, for UGX. 2000, which may run lessons for a day.

Sincerely,

Nakalema

Immaculate Nakalema Mawanda

Head teacher (0782 350 886)
